In order to keep our customers and staff safe, we ask that you follow our guidelines for booking and playing your game:

Golf and Go - please aim to arrive on site no more than 15-20 minutes before your booking should you arrive earlier you will be asked to remain in your vehicle until closer to your tee time, all tee times must be pre-booked. Once close to your time please ready yourself and approach the pro shop, there will be either a clearly marked queue, or perhaps no queue at all! Either join the queue, socially distancing at all times or wait at the marked point near the pro shop and await an invitation by a member of staff to enter the pro shop.

- Clubhouse, changing and toilet facilities will remain closed until Monday 12th April.
- Maximum of two customers in the Pro Shop at a time, please wait outside to be called in.
- Face coverings must be worn in the pro shop at all times no exceptions, please use the hand sanitiser provided before entering the shop. Non essential retail remains closed.
- Please use a contactless method of payment where possible.
- Groups of up to 4 players per tee time allowed.
- Please play from the tee of the day, winter mats may be in play for another week or so. Winter rules (preferred lies) are still in play and the use of these has been extended by the golf union until the end of April.
- During the initial weeks of casual golf we have some areas on the fairways that have seen some serious damage over the winter, these areas have been dressed and reseeded please where possible move your ball to your nearest point of relief and play from here. Worst areas are on the 5th, 12th and 14th Fairways, with your help these areas will recover quickly.
- We ask that you observe social distancing throughout your game especially at the tee and on the green. Flags should be left in the hole at all times, putt buddies have been removed and foam inserts are now in place so that you can easily remove your ball with the flag in place. Rakes have been removed, balls may be picked and placed for ease of play in a bunker and sand smoothed with a club or your foot at this time. Please do not move your fellow players trolley or clubs only use your own equipment at all times.
